CONTACT DETAILS

Now that winter is here, please look at our website or get your parents to check it if they are in any doubt of whether a class is on or been cancelled due to bad weather. It is also essential that we have your up to date contact information, otherwise we have no way of letting you know about any changes!

There will be a sheet on the desk on Saturday mornings and Thursday evenings, please may you check that your details are correct? Thank you.

LEAFLET DROPS

We need responsible volunteers to put leaflets onto car windscreens from now and throughout January and February to promote the NEW Leisure Centre. If anyone feels they can spare an hour to do this, please get in touch with Kay from the committee and let her know which area they are prepared to work in.
